

# Terms & Conditions

## 1. Introduction

These Terms and Conditions ("Terms") govern your use of Booth - The Study Partner Application (hereby referred to as "Application") for mobile devices, created by Booth (hereby referred to as "Service Provider"). The Application is designed to facilitate study sessions and academic collaboration across US campuses.

## 2. Service Description

The Application provides the following core services:

- Creation and management of study sessions
- Location sharing for study meetups across US campuses
- In-app messaging with file sharing capabilities
- User authentication through email and biometric verification

## 3. Account Registration and Security

3.1. Users must register using a valid email address and may enable biometric authentication for secure access.

3.2. You are responsible for:

- Maintaining the confidentiality of your account credentials
- All activities that occur under your account
- Providing accurate and truthful information during registration
- Immediately notifying us of any unauthorized account access

3.3. The Service Provider implements industry-standard security measures, including biometric authentication, to protect user accounts but cannot guarantee absolute security.

## 4. User Content and Conduct

4.1. Users may share:

- Study session locations
- Images, links, and files through the chat feature
- Academic-related content

4.2. You agree not to:

- Share inappropriate, illegal, or non-academic content
- Use the Application for any unauthorized or illegal purposes
- Share location information with malicious intent
- Distribute spam or malicious content
- Impersonate other users or entities

## 5. Location Services and Privacy

5.1. The Application collects and shares location data for study session coordination. By using the Application, you:

- Consent to location data collection when creating or joining sessions
- Understand that location sharing is visible to other users in your study sessions
- Can control location sharing settings within the Application

5.2. The Service Provider will handle all location data in accordance with our Privacy Policy and applicable laws.

## 6. Content Sharing and Storage

6.1. The Application allows users to share:

- Academic files and documents
- Images related to study materials
- Links to educational resources
- Chat messages within study groups

6.2. You retain ownership of your content but grant the Service Provider license to store and display shared content within the Application.

## 7. Network Usage and Charges

7.1. The Application requires an active internet connection through Wi-Fi or mobile data. Users are responsible for:

- Data charges incurred while using the Application
- Ensuring sufficient network connectivity for features to function
- Any roaming charges when using the Application outside their home network

## 8. Intellectual Property

8.1. All Application features, including:

- User interface
- Messaging system
- Session management tools
- Authentication mechanisms remain the exclusive property of the Service Provider

## 9. Termination

9.1. The Service Provider may terminate or suspend access to the Application:

- For violations of these Terms
- To protect other users
- To comply with legal requirements
- At our discretion, with or without notice

## 10. Updates and Modifications

10.1. The Service Provider may:

- Update the Application to enhance security and functionality
- Modify features to improve user experience
- Add new capabilities for academic collaboration
- Change these Terms with notice to users

## 11. Liability and Disclaimers

11.1. The Service Provider is not responsible for:

- User-generated content accuracy
- Meeting cancellations or no-shows
- Personal disputes between users
- Loss of data or study materials
- Unauthorized access to shared content

## 12. Changes to Terms

The Service Provider may update these Terms periodically. Users will be notified of significant changes through:

- Email communications
- Updates to this document

## 13. Contact Information
